Special Notes regarding State

- Our league has grown tremendously over the last 2 years. It's too large and impossible to have our state championships on 1 day as in the past.
- Last year we utilized a multi-day format that was well received and that we can continue to use to ensure the State Championships are comfortable for players, coaches, and parents.
- State competition will be played over 10 days, Feb 18-27.
- All awards (player medals and team trophies) will be presented at the end of competition
- Players must arrive 30 min early for their scheduled match where possible (we recognize that 3:30 after school matches will be a challenge)
- Winning players must stay to referee.
- We will need help refereeing the first matches of each day. (Volunteers or self-ref)
- All Middle School & JV3 matches are 2 out of 3 to 11, tiebreaker to 11.
- All Varsity, JV1, & JV2 matches are 2 out of 3 to 15, tiebreaker to 11
